Tradition 10: Debtors Anonymous has no opinion on outside issues; hence the D.A.

name ought never be drawn into public controversy.

Concept 10: Every DA service responsibility should be equal to its service authority as defined by tradition, resolution, or DA's Charter.

Seventh Tradition:

Every D.A. group should be fully self-supporting, declining outside contributions.

Reading of the 12 Promise

In the program of Debtors Anonymous, we come together to share our journey in recovering from compulsive debting. There is hope. When we work D.A.'s Twelve Steps and use D.A.'s Twelve Tools we develop new ways of living, and

begin to
receive these gifts of the program:

1. Where once we felt despair, we will experience a newfound hope.
2. Clarity will replace vagueness. Confidence and intuition will replace confusion and chaos. We will live engaged lives, make decisions that best meet our needs, and become the people we were meant to be.
3. We will live within our means, yet our means will not define us.
4. We will begin to live a prosperous life, unencumbered by fear, worry, resentment or debt.
5. We will realize that we are enough; we will value ourselves and our contributions.
6. Isolation will give way to fellowship; faith will replace fear.
7. We will recognize that there is enough; our resources will be generous and we will share them with others and with D.A.
8. We will cease to compare ourselves to others; jealousy and envy will fade.
9. Acceptance and Gratitude will replace regret, self-pity and longing.
10. We will no longer fear the truth; we will move from hiding in denial to living in reality.
11. Honesty will guide our actions towards a rich life filled with meaning and purpose.

12. We will recognize a Power Greater than ourselves as the source of our abundance. We will ask for help and guidance and have faith that they will come.

All this and more is possible. When we work this program with integrity and to the best of our ability, one day at a time, a life of prosperity and serenity will be ours.
